“ Bobby was a year behind me at Los Lunas High School. We were on the high school baseball team together that won the State Championship in 1955. Besides being a very good player, he was extremely likable - also very good looking, garnering the most handsome boy I think more than once. I don't think I knew the girl he married, but I wondered who it would be...

I'm glad I got to live at the same time Bobby did.

Condolences but also best wishes to those left behind. Take care of yourselves.

Blessings and kind regards,

Howard Simpson

“ i have known Bobby since we were in Grade School. We became very good friends. Bobby was always so kind. I hadn't heard from him over 10 yrs. but every now and then he would call to see how I was doing. He was to me like a brother. I will never forget the guy that was voted most handsome in Highschool . I offer my condolences to his wife and children. May God bless and comfort you all.
