“ My deepest condolences to the family of Robert Moody. I didn't know officer moody personally, but I do remember him patrolling my neighbor hood when I was a teenager, what a wonderful job he did in cleaning up the neighborhood, because of him it was a safer neighborhood and community to live in. Officer Moody`s grandchildren & great grandchildren should be proud of him. THANK YOU Officer Moody for your service!  
Thoughts and prayers with the family. Michael Martinez.

My thoughts and prayers go out to the Moody family. From the time we were in the academy together through the years on the department you were always a good friend with a big smile on your face. I have many good memories of you I'll always treasure. You were the best street cop I ever knew. Rest in peace Brother.

“ I worked with Bob back in the mid 70's with the first anti-crime team, now SWAT. He was a great police officer and lots of laughs to be around. He and Judge Harry Robbins didn't get along and when someone broke into the Judges house and left a deposit on his carpet he blamed Bob. It was never proven, one way or the other.  
Rest in peace Bob

“ Bob was the most wonderful caring person I have ever know. When he was on patrol and I rode motorcycles we couldn't wait for 2:30 to come so we could head for Santa Fe to the horse races. We would change clothes in the car as we drove. When we were working the state fair we didn't miss betting on every race. He was my friend when a lot of people didn't except my position on things. He loved his family so much and stood by his beliefs. I wish I could attend his celebration of his life but my health is not good and it's a long way to come. Bless you all.

“ I want to extend my deepest sympathies to the Moody family. It was my great honor to be one of Bob's police academy instructors, and later, his patrol commander. He and I had an interesting history, and I will always treasure his honesty and commitment.

“ *Bob: I have enjoyed your friendship for many decades. It seems like it was only yesterday that we were commuting to our job on the graveyard shift. That was a time in our lives when the days stretched out before us like a long, long country road. In our daily conversations during our commute to and from work, we solved many "local, State, and national problems." Rest in Peace, my friend. Dodie and family, you are in our prayers. May God Bless and comfort all of you.*

*Bob was already an "Old Salt" when I got on the PD. From our first encounter he treated me as a friend (I feel we were) and an equal (which we weren't - he knew so much more than I about 'street work!') I'll miss you Bob.*
