“ Bobby was my best friend all thru high school at St Marys. We have at lot of good memories together. After joining the service we lost track of each but we ran into each other at the Village Inn while he was having breakfast with his Mom. It great to see him then, and I will always remember Bobby as the friend he was to me and will keep him and his family in our thoughts and prayers.

God Bless and rest in peace my friend.

“ After having worked with Bob for more than a couple decades at the Labs, I came to know him as a smart, loyal, generous and very funny man. He was great at the hardest technical electrical problems and always ready to help someone else if they needed it. He work hard to promote safety for his fellow workers. When throwing cards at lunch he was clever and funny. His matanzas were not to be missed, he know how to throw a party. He kept a wonderful and neat property down south. He was always talking with great love about his family. Bob, you will be missed. Rest in Peace. Baaaaaa. Bikee

“ Bob - My husband JJ is beyond sad at your passing. He considered you family and enjoyed his impromptu visits with you during the week. He will especially miss the Tuesday morning breakfasts and cruising the ditch banks. In fact, it made me happy that James could get out of the house and get you out of the house for awhile. You will be missed! Our heartfelt condolences go out to your cherished family. I know how proud you were of them and it was obvious how much they loved you too. RIP Brother Bob!
