“ You could always bring a smile and laughter into any situation; and for that alone I will miss you my friend. I count myself lucky to meet a person like you, there are not many people in the world with the genuine personality such as yours. I very much enjoyed the many stories that we shared with each other. Until we meet again Robert!!

Robert was a friend and a brother. I will miss sharing "war stories" and laughing with him on Tuesday nights. His memory will always bring a smile to my face. I am anticipating seeing him again, where we can continue our laughter and banter back and forth. Mike Cava
