

Roberto "Bert" Andres Lovato

June 13, 1979 - June 28, 2016

1979-2016

Roberto Andres Lovato "Bert" of Belen, NM, passed away quietly on Tuesday, June 28, 2016, with his family at his side after suffering a sudden cardiac episode. He was born in Albuquerque, NM, on June 13, 1979, and had just celebrated his 37th birthday. Bert is the son of Richard Lovato and the late Virginia Lee Chavez Lovato. He is preceded in death by his maternal grandparents, Manual C. Chavez, Mary S. Chavez and Nila P. Chavez; and his paternal grandparents, Jack and Louise (Griego) Lovato. Bert is survived by two loving daughters, Amris E. Lovato of Belen, NM, and Crystal Lee Lovato of ID; and his siblings, Richard P. Lovato Jr. of TX, Michelle "Shelly" Lovato Moore and husband, John of NC, Ron Silva and wife, Becky of Los Lunas and Deanna Marquez and husband, Rudy of Belen. He is also survived and loved by many aunts, uncles, cousins and friends. Bert was a caring and compassionate person who was currently working as a health care provider. He was a talented artist and loved to paint and carve. He dearly loved his father and mother and he spent countless hours with his father maintaining and managing their rental properties. Family members could always count on Bert to help them out when they needed maintenance work around the house. He loved the outdoors and some of his happiest times were when he was out hunting or fishing with his family or working on the family cabin in Aragon, NM. Bert loved his entire family and was loyal to his all friends. He loved growing

roses. Bert loved sitting around a campfire telling stories and visiting with family members and friends. He had a big heart and was always ready to help anyone in need. Bert: we will miss your stories and your kindness, but we will especially miss your smile and your laughter. We are comforted in the knowledge that you are now with your Creator.

“ *Today's the day we lay a good friend to rest. We have to trust that the Lord knows best. Roberto Lovato, you were loyal and honest and a good friend inded.*
I know you don't want to see us cry, so will reminisce about days gone by.
You were a soldier and now your fight on earth is done.
Thank you for being here and for being a wonderful friend. You will be missed now that you've gone.

“ *I could write a book with all of the memories that I have with "Burnt" (his nickname for ever!), if I called him anything different he would probably think I lost my mind, just as if he didn't call me "BooBoo"! Growing up he was another brother to Moe and I, we would hangout ALL the time, doing crazy/stupid/fun things that kids do. The memory that always comes to mind when I think of growing up with Burnt is that when he was really little, he would be in his shortes and put on a superman cape and think he could jump off porches and buildings without any injury.... needless to say, the cape didn't always work very well! I will stop there...*

You will be greatly missed Burnt, but we will do our best to keep up the memories and laughter, see you on the other side!

Love you tons!

“ *We will greatly miss our nephew Roberto! Especially his kindness, respectfulness and his love. I can't remember one time that Roberto didn't tell us he loved us while saying bye. In his memory we will try our best to make his habit of saying "I love you" a habit of ours.*

With much sadness and sincere love.

We are so sorry for your loss. I still remember Bert as a baby with his pacifier. Your dad would turn it upside down & Bert would always flip it the correct way. Love & prayers to you all, from your cousin, Lori, & Gary & Kaitlyn too.*

“ Bert, I met you the summer your mother passed away. Little did I know I had met my best friend. We were inseparable. We had a lot of crazy times through out high school. I laugh often thinking of all the stuff we got away with. Riding 4 deep in the white S-10, going out to raise a lil hell. Your compassion, and your frindship was something I missed dearly when I moved to Texas. I thank God, we were able to reconnect, when you and Amris came to Lubbock. I cherish the time we had, and will try to smile knowing you are with our Lord. Im not gonna say good bye, but I will say ta-ta for now. I love you brother, and will miss you only for a while.

Richard & familia.....our deepest deepest condolences to you, I didn't get to know your son well, knew him more when he was little. But if he was anything like you & Virgie combined he must have been someone very special !!! And by reading all the comments that people have said about him, I know you were proud of his love & kindness that he showed to people. I am so very sorry. I wish I would have gotten the chance to chat with you at Uncle Manuel's funeral but got lost in conversations with many. Please take care of yourself, hugs & with much love, Lita & Fred Sanchez
