“ Our family is very sad to hear of Ron's passing. Our prayers are with you Karen and your family.

I was very blessed to work with Ron and get to know him his first year at Belen High School. He really made a lasting impression on the staff, students, parents and Belen Schools Administration. Ron was a very respected, admired, sincere, and fun to be around. I have many good memories working with him.

My kids were lucky to have Ron as their Principal at Belen High. His biggest goal as Principal was the success of his students.

He will be missed by all. God bless the Marquez family.

“ I will always be indebted to Ron as I was the last principal he hired in the BCS district. I wish I was able to work under his leadership, as he retired shortly after my hiring. I will forever appreciate that he saw something in me to make me part of his educational leadership team. I strive to continue investing in collegial relationships as I believe he made it his mission too.
