“Ronnie was such a fun person to be around and brought many smiles with his outgoing personality. I loved hearing his “joke of the day” when I was able to see him. I will miss his jolly presence when I visit Belen. He was truly a part of Belen history, but more importantly, like a favorite uncle to a newcomer to Valencia county. My deepest condolences go out to his many friends and family members and his smiles and laughter will be missed.

“ Ronnie Tabet was a life-long friend to many. He was my friend from the time he came to Belen Jr High school from St. Mary's and we remained friends and stayed in contact through the years until his health failed just recently. Ronnie was a friend I always stopped to see when I visited my family in Belen and he visited me at my home in California. We called each other often. He was someone I could count on to have a good laugh with. His sense of humor was his greatest attribute. Ronnie, you were a wonderful friend and I will miss you terribly.

“ I've known Ron Tabet since Capps Place in the 80's. He was my neighbor, he was my friend, he was my diary, he was my silly boss and a great hugger. Ron loved to laugh and joke around in English and Spanish. He was a little daredevil. He never knew what the words NO GOING TO WORK were. If he was at the insurance place and you missed him he was at the bar. He helped many individuals that were financially in need of help. He loved Bruno Mars because that was the last concert he and Marybell went to. Well Ron you are with Marybell hopefully waltzing away. You made a big impact in my life and I'm glad you let me into yours. Thank you. Nicole "Nicci"
