“ Our dearest family, mere words cannot express the loss we feel with Ron's passing. He was truly one of a kind. He gave our family too many laughs to remember, was always there when we needed him and loved us all unconditionally. There will never be a day that we don't think of him and smile. Our lives will never be the same but the strength he taught us all will help us carry on in his absence. Ron we will never forget you and we will always love you!

“ Even though he is grown, he will always be little Ronnie to me. After 35 years I loved him like family. I enjoyed every minute I ever spent with him. He is probably the biggest ring bearer in history. Even a 10, he was a big man. My fondest memories are when he would come to our apartment in Sierra Vista and watch the Cowboy games with me. He always brought his own snacks, I'm not sure I could afford all he could eat. He would volunteer to baby sit our daughter Lindsey and would dance with her, which is why she called him TaTa, because he would move her arms to music and say "TaTa-TaTaTa". He loved everyone. I will miss him greatly. My heart, love and prayers go out to Michelle, Taylor, and Ron III. Also to Barbara, Cheryl and Nikki. I am better to have known Ron. Love you Ronnie. Rest in Peace. GO COWBOYS!!!!

“ *Ron was a great person! I am deeply saddened to hear of his passing. My deepest condolences go out to the entire family. Ron will be missed by many people and he will never be forgotten. Ron and I attended WNMU together and I had the privilege to serve as a student senator in student senate with Ron. His smile and sense of humor were electric. With that said... There was also a serious side to Ron. He knew how to balance his priorities in life and indeed served as a positive role model and wonderful classmate to so many. Mustangs Pride Forever! Rest in peace Ron.*

“ Ron was my friend and my family. He always made me laugh, knew how to get me out of a mood and was always there for me. I loved him dearly and love his family. He had a connection with people that very few have. He always greeted people by their name, looked them in the eye and had that great smile. He always respected any person in any position they were in and never thought he was better than anyone. I will miss you my brother.
