“ I only met Rose once and knew right away she was a real firecracker, full of life and very comedic. She related to me a few short stories that she found humorous and I could tell she had many more to tell. I know she'll be missed as a family contributor.

“ Eric & Elizabeth Knight April 4, 2017

Today we found out our dearest and longest friend Rose left us and re-united with her beloved husband Ken. We are deeply saddened that we will not hear her beautiful voice again or experience the lovely person she was, once more. Our friendship lasted 36 years. Eric met her when they both worked for Fox Photo ,before Eric & I got married. We became fast friends with her and so did my late mother Frances, whom loved her dearly. We have a lifetime of wonderful memories with Rose which we will always cherish & remember. I know she knew that she was deeply loved. Our deepest condolences to all of her family & relatives, We were all truly blessed to have her in our lives.

“ Steve, Frank & Families,

We have lost our endless and beautiful rose who in her keeping with her religious faith is now in the arms of the Lord. My lovely prima is now set free to rest in that eternal garden but her love for us will ever glow magically in our hearts. It was just a few weeks ago that she and I spoke. Now, her precious words about the days of our youth and family are left to memory. But, I still recall how she wove sorrow with joy and made the past our very own. Though a new light passed through her window, nothing snuffed the faint voices of our ancestors. She was in love with family. I will miss her!

I submit sincere condolence on behalf of Sue, our family and myself. May time bring solace to your hearts.

Your cousin,

Oscar S. Ramirez

“ Rose was our Beautiful maid of honor 40 years ago. She died on our anniversary, April 2nd. She was a beautiful and thoughtful friend. So sweet and full of laughter. You could not help but fall in love with this special women. We used to talk for hours. We worked together for many years. So sad that we were so very busy that we did not visit often. We always said we were going to call each other and visit, but time and work got away from us., but I am sorry we did not spend very much time together. I know she has had so many family losses but God gave her the strength to go on. May God Bless all her family and know that you are all in my prayers. My Dear Rose, MAY YOU REST IN PEACE.
