I met Rosana in Barstow when i was on my Junior-Senior Trip with La Joya HS. On our way back home we stopped in Barstow, our sponser had family living there, most of the kids did too. My cousin and I didn't, but we spent the night with the sponser's family and the next day Rosana in vited us for lunch at her house. She didn't know us but she heard about our predictment and invited us over. She was the nicest person and cooked a real nice lunch for us. Her brother Lupe was there and he offered to take us to Calico where we had a great time. All these for teenagers that they had never met before. RIP Lupe and Rosana

“ Roseann was my neighbor, one of the most sweetest and welcoming people, she was always nice to me, my wife and children, we connected by talking about how we knew each others families and friends. We are deeply saddened by her passing. She will be missed.
