“ *We are saddened to hear of Rosella's passing. Rosella and*
Herminio have been the best neighbors we have ever had. We got
know them living in Jarales and have great memories. Rosella was
kind and generous. She made the best meatloaf and always made
us laugh with her lighthearted attitude and gentle heart. Even after
moving away we have considered both Rosella and Herminio the
best neighbors we have had. We will miss you and we know that
you are at peace in your Saviour's arms. God bless you Herminio,
Ronnie and family.

“ *The love and fairness you gave to all your boys will never be forgotten. And, the true love and devotion you provided to my father will always be appreciated. I will always remember the song we both loved (love can build a bridge). Thank you and rest now, beautiful lady.*

“ Ronnie, James, Charlie and family: We were so sorry to here about the passing of your mom. I remember my mom and dad taking us to visit your family when we were kids. I remember her as being a really nice lady, always in a good mood. I dont remember her looking anything but happy. Then in junior high and high school Charlie became one of my best friends, and Ronnie and James did my hair for years, so when I would run into your mom, at church or in town, she would keep me updated on how everybody was doing. What a proud mom and grandma she was. May you find comfort and peace in the memories you share. God Bless You All.
