“ *Almost a month mom and I still can't believe you are gone. I am so lost without you and my heart aches a pain I have never felt before it is broken into pieces. It's such a lonely feeling without mom. I love you dearly and miss you so much.*

“ *Mom I'm trying my hardest to be strong, but I can't. I'm so empty and so lost I don't know which direction I'm going. What I would do to hold you and touch you again. I know your in a better place than all of us, but my biggest fear mom was losing you, and I lost you, and I'm scared. I love you mom!*
