“ Liz and family we so very very sorry for the loss of your Mama. She was such a sweet lady. I used to love to stand and just visit with her when I "worked" the slot floor at Isleta. We would do a lot of laughing. What I learned from our talks was how very very much she loved you Liz. You were her life. She is gone from this world but she will live on in your heart. Just listen.....you will hear and feel her. Butterflies and hummingbirds are known signs sent from our loved ones.
