

Rosie Montoya

January 10, 2019

1935-2019

Rosie Montoya made the journey to join her Lord and Savior, Jesus Christ, and her husband of 64 years, Henry, on Thursday evening, January 10, 2019. The loving couple known by so many are once again strolling together, hand in hand, down Heaven's glorious streets of gold. Rosie fought bravely over so many years through so many illnesses. When people speak of her, they never fail to mention the love they have for her and how she touched their lives in such meaningful ways. She is remembered as a remarkable woman who, although small in stature, demonstrated amazing strength and fortitude. It was her faith that gave her strength, and it was her faith that served to bring so many people to Jesus. Always willing to share whatever she had to give, Rosie gave with love – whether it was monetary or to provide comfort, strength, or shelter to those in need. Whatever the need, she gave with joy. Her principles set an example admired by many and difficult to live up to. Rosie is survived by her only child, Theresa Marshall and her husband Jeff; her only grandson, Scott McLain; siblings, Ernie Cordova, Margaret Montoya (Joe), Anna Upton (Tony), Toby Cordova and Donna Bergevin (Don); brothers-in-law, Joe Montoya (Margaret), Norbert Montoya (Marcy) and Mike Montoya. She was also blessed with a great number of nephews, nieces, and great-nephews and nieces. Services will take place at Our Lady of Belen Catholic Church on Wednesday, January 16, 2019,

beginning with a Public Viewing at 10:30 AM, and a Funeral Mass at 11:30 AM. Interment will take place following at Our Lady of Belen Memorial Gardens.

“ Rosie Montoya is my good friend, and I miss her. I loved hearing the stories of her life. They were stories about Theresa, California, 'the girls', her escapades with Henry, and her walk with Jesus all her life. She lives on in Theresa, and she lives on in me and those who were inspired by her uniqueness, work ethic, love, loyalty, joy, strength, beauty, compassion, generosity, talent, wisdom, and graciousness. She left an indelible mark of love on my heart and I am thankful for her friendship. I wonder if she may already have Henry helping her create a beautiful space in the garden for their King.

“ Theresa and Family,
On behalf of Greenleaf Wholesale in Albuquerque, we send our deepest sympathies to you all. Rosie was small in stature, but huge in spirit. When Rosie and Henry owned Felicity Flowers, she would walk in and brighten up the place. I remember when she was going to have surgery, that morning she walked in, and we were all surprised to see her. She simply stated the surgery was postponed. We asked what happened, and Henry said "she wanted a doughnut". Rosie said, I didn't know I couldn't eat before I had surgery and I was hungry! So, I had a doughnut! God Bless her!
Sincerely,

“ Dear Theresa,

I'm so sorry to hear of the loss of your beloved mother. I remember her so well since she and my mother, Ruth Cordova Padilla (and Sosimo), were cousins who visited at home or by phone frequently. I fondly remember her beautiful flower shop many years ago as well as her leadership with the Belen youth choir in the 1970's. I last saw your mom at one of the cousin's reunions held in Jarales several years ago.

I will think of you often, Theresa, and keep you in my prayers as I know first hand how deep the pain is to loose your parents. But I firmly believe they are all having a joyful reunion in heaven, and knowing that will give you peace.

*Love,

Thank you Phyllis! Mom adored your mother, Ruth, and would spend hours talking to me about all the two of them would share. Tje friendship they shared was truly special, and although mom was too ill at the time of your mother and father's passing, she took their loss extremely hard. Love and big hugs to you, Phyllis, for the pain you've endured. ❤️❤️❤️

“ Theresa & Family,

Yes, our "Little Giant" has ended her voyage on earth and now continues in the eternal one. There her mirroring soul reflects and sees the whole. In keeping with her faith, she dwells hand-in-hand with her beloved Henry. Our Rosie, in keeping with her faith, is at peace and in the hands of God.

I submit condolences on behalf of Sue, our family and myself. May time bring solace to your hearts.

“ It's hard to write a tribute to Rosie without including Henry. My mother and father--although older than them--were good friends. My dad died when I was young but my mom continued to have such admiration for them and their daughter, Theresa. She would say, whenever they walked into Our Lady of Belen Catholic Church for mass each Sunday, "Those two are just crazy about that little girl!" They were an example for all of us, of a loving family, couple, father, mother and daughter and all who knew them were lucky.

Henry and Rosie were always especially kind to the youth--which is so special in and of itself. They were famous for that. I loved seeing them and playing in the beauty shop whenever my mom went to have her hair done--which was every Friday--like clock work. I went through a rough patch in my teens but Rosie and Henry were always happy to see me and never made me feel judged. I was the same good girl they had always known--until it was true again.

I will never forget their love and compassion and I feel so fortunate to have known them and you Theresa, as a friend for life. Rest in peace dearest Rosie, with your beloved Henry. You made our town and it's people better.
