“ *If I should go tomorrow
It would never be goodbye,
For I have left my heart with you,
So don't you ever cry.
The love that's deep within me,
Shall reach you from the stars,
You'll feel it from the heavens,
And it will heal the scars-*

While we know you are so peaceful now, Ross, the kid's hearts will forever have a void- you will, no matter what, forever be loved and honored by Ross & Fia. We love you!
