“ We lost a "great guy and human being". Roy was my classmate and close cousin. Trivia -Roy went to school for 12 consecutive years "without missing a single day". That is absolutely "awesome". Of special note - he had travel to-and- from San Fernandez to Los Lunas each school day. He was also our second baseman on the Los Lunas Tigers baseball team. In 1963 Roy and I executed a "triple play" against the Highland Hornets. Roy was a hard worker and was respected in the community and in school. He will be surely missed but not forgotten. May his soul rest in peace. With all my admiration - your "primo" - Frank A. Gurule (LLHS Class of 1963) - Former Valencia County Commissioner and Village of Los Lunas Councilman..

“ *Snooki Ridley sent Roy's obituary to me and I am so thankful. I'm so sad to hear of Roy's passing. Our grief is deep but our joy that we will see them again gives us much comfort. I remember Ken telling me Roy was his first friend as they grew up in Tome. And Mary Roy's Mama was the first person to keep Ken (Kenny then) when he was a baby. How far families go back what a blessing for me to know you all when we moved to Veguita in 1982. My prayers for you Jerry and the family are "Tenderly ... May time heal your sorrow, Gently...
May friends ease your pain, Softly... May peace replace heartache, and May warmest memories remain". My Mama shared that with me years ago she been gone 28 years June 4th. She thought the words were comforting and I do too. So for all these years I share the words and pray they might comfort you in some small way.
