“ *Rest in piece Grandma Ruby. I miss you and will continue to miss you. Was hoping to take a trip to New Mexico this year and visit, so you could meet my kids. I have wonderful memories of you and great stories I can tell my kids. You were amazing, loving, great cook, amazing grandma, and many more. When I visited, your house was the place to be. Thank you for everything Grandma Ruby. Fly with the angels and be free!*

“ *Though it has been years since I have seen Ruby, I can say this, she was quite the character, but she was always there with a helping hand for anyone who came through her door. To the Benavidez/Romero family I am so very sorry for your loss. May you all find comfort knowing she no longer suffers. You will be missed God Bless you Ruby & God Bless the family Berna*
