“ *Dear Tim and Aunt Rosi,
Sue and I want to express our sincere condolences to you both for the loss of Sabina. We know that she was a big part of your life at this time, and your commitment and love for her was apparent. When you loose such a big part of your life it's hard to think of the future and better days. Hopefully the future will provide many loving memories of the happy times spent together. All our best, Love,

“ So sad to hear of Sabina’s passing. We were the best of friends in high school. She had a big heart, and always a flair for new adventure. So many memories of good times. She always made me laugh. Her funny facial expressions and her contagious laugh will be something I will never forget. Her compassion to help others was unrivaled. She was always getting me to help her with projects to help someone in need. She loved her animals (does anyone remember her little dog Fuji). She will be missed, but will always live forever in our hearts, minds & memories. Brad Roper. Oklahoma City,OK
