“ Mrs. Noe was my history teacher in high school in the early 1980s. She was always smiling and was a very beautiful soul. Even today over 30 years later, I still think back on all her wisdom. I took her American History class twice, once as an elective. She made learning history fun. Rest in peace, dear lady.

“ I was so sorry to learn of the passing of your mother. George and I shared many good memories (across the card table) with her and your dad. Also, going on picnics and Christmas tree hunting. My thoughts are with you ALL at this time. Marilou Condrey
