“ *Salo and I were in high school together and he loved to dance. He was a little devious but you can tell by his smile. My daughter saw his photo after our 50th class reunion and she said "He's looks like he was a lot of fun" and he sure was. Out of our entire high school class only myself and Patsy Tondre are still kicking it. May perpetual light shine upon his soul.*

“ During my time at the nursing home, I helped take care of Mr. Salomon. He would also ask me to put him to bed after I prepared dinner and cleaned up the kitchen. He was a wonderful person and really enjoyed talking about his lovely family. He was very proud of all his children and loved to share his stories. I know he is in a better place now with his beloved wife. "Thank you for the memories, Mr. Salomon." Becky
