“ What can I offer, but prayers of condolences for the Jaramillo family 🙏 What can I share, but a memory from the Adelino school yard. It was around 1969 and Mr Jaramillo was teaching his students to build kites. □ They flew them beyond the baseball field. I wanted to build one except I was not in his class. If I remember correctly his was 4th & 5th grade. His classroom in the south west corner of the old school. He was always friendly and I wanted to be in his class. May his soul now soar an untethered kite into heaven. Amen 🙏
