“ Scot was the first friendly face I encountered at Breitenbush Hot Springs, and once we became familiar, he was consistently solid and available, always with an ear to lend and a shoulder to lean on. I will forever be grateful to him for his friendship and support. I miss his laugh. Making him laugh wasn't difficult; making him laugh because you were both in on the joke, PRICELESS. I love and miss you, Scot, and I promise to always be here for Kris and Nico. Goodbye, and thanks for all the Phish. 💖

“ *Scot was a close neighborhood friend as a child. Many wiffleball and nerf football games over those years, many goofy, imaginative scenarios played out in our yards and living rooms. Lots more of records and tapes played.*
