“ I was very saddened to hear of my Auntie Sessy's death. She and my Uncle Lalo were such a large presence in my life. Always welcoming and known for delicious fresh garden delights and delectable desserts! My Aunt's biscochitos and pies (any kind) were the very best you ever tasted! She always had a pie with my name on it when my husband Ken and I visited her for over 20 years at Christmas. Uncle Lalo never failed to entertain with his ways! I will never forget the weekend he and Auntie visited and he gave me the keys to his brand new Cutlas Supreme (I just got my license) and I dragged Main Street! Such sweet memories...know you always loved me auntie as I you. You were a stoic Sanchez just like my mom till the end. My heartfelt condolences to my primas and primos and especially my Auntie Cinda and Uncle Daniel who I love mucho!!! Miss you all !

“ *Dear Lopez Family and Friends,*

*I am so sorry to hear of the loss of your dear loved one. Please accept my family's sincere condolences. When someone you love dies, there is a sadness and a void that is excruciating and overwhelming. May it comfort you to know that our Creator hears our cries, empathizes with our broken hearts, and will soon act to rid us of this last enemy, death, forever.
