“ My dear sister, Shirley, was the most courageous person I have ever known. She endured more suffering than any one individual should ever have to experience in life. But through it all, Shirley never complained. She was so strong and always determined. I will miss her more than anyone will ever know. Shirley was my only sister, my best friend, and my hero. She will forever remain deep within my heart, along with all the special memories we shared. May you rest in peace sweet sister. No more suffering and no more pain. What a glorious day, Shirley is with our wonderful Lord, our Mother, and dear brother, Bill. I love you.
