“ You were the funniest guy in Jr. High.  
We had a certain English teacher that fell asleep after lunch.  
You gave her a hard time. She took roll every period. You changed your name every day. You said Simone one day and then Simon the next day. She got fed up and told him to pick one name. You chose Simon.  
The funniest thing was when she was asleep with her head down on the desk and you took her wig off.  
You also slammed books on her desk when she was napping.  
You were the entertainer of the class.
