“ *I remember, back in maybe 1986 or 1987, I was 7 or 8 years old, and I stepped on a rusty nail. I stood there in the animal pen screaming until Grandma and Grandpa Perea came. Grandpa listed me off the nail and they took me in the house and cleaned the wound. I had to get a Tetanus shot but they carried me to safety. Let's carry them into the future in our memories.*

“ *Thoughts and Prayers go out to the family at this time of need. I am glad I had a chance to see her a few months ago when Lisa was in town and took us all over to visit with her grandma and mom Isabel, Soledad had a beautiful smile on her face as she looked over all of us as we introduced ourselves to her. “ Our grandma, such a beautiful person! I will never forget all the times you cared for me grandma, when I was really sick and struggling,....you were always there to care for me! I feel so blessed to have spent time learning all your recipes and ways of life, so that I could provide my husband, Kenneth just a little bit of what he loved from you! Kenneth always talks about you and always remembers how you took care of him as a boy and always being there for him! You always nursed him back to good health when he was sick. I don't know a more giving person than this beautiful soul! We were all blessed to have you in our lives!!!! You will be greatly missed Grandma! Rest in Peace!

We love you, Kenneth & Marie Rivera
