“ To my step sister we never got to say
goodbye awake I'm thinking of you asleep
and dreaming of you I'm thinking and crying
I'm sleeping and weeping the pain that I have
lost you cannot be eased my desire to be with
you cannot be pleased people say time will heal the pain in my
heart are child memories will forever remain you were the best most
strongest person I ever knew when we were young I looked up to
you Tara I love and miss you so but one day our hearts will meet
again and hand in hand I will walk with you again to my sister Tara I
love you with all of my heart there's no amount of miles that ever
tore us apart you will always be in my heart Tara bear love your
stepsister Natasha Lopez and family from Rifle Colorado

“ You never said I'm leaving, You never said goodbye. You were gone
before I knew it, And only God knew why.

*A million times I needed you, A million times I cried. If love alone
could have saved you, You never would have died.*

*In life I loved you dearly, In death I love you still. In my heart you
hold a place, That no one could ever fill.*

*It broke my heart to lose you, But you didn't go alone. For part of me
went with you, The day God took you home.*

Tara was our daughter-in-law, for the short time we knew her, we loved her. Then she blessed us with 2 beautiful grandchildren. Her quirky ways will be missed. RIP Tara.
