“ Dear Senaida and family, I am so very sorry for your loss. It breaks my heart to know that your, Senaida, is shattered. I also know that Tereso loves all of you very much. He may not have made it back home to you, but he made it Home to Jesus. He received his Sacraments and wanted all of you to remember him the way he looked prior to going to the hospital. That is very merciful and loving of him. When I saw him last, he was dressed up to receive Jesus. He was wearing his Crucifix. I complimented him and his Crucifix, he answered me proudly that his "Negra, Senaida" gave it to him. He had a big smile on his face and looked at her with love. That is my last memory of him. That is the way I will always see him in my mind. May God bless each of you with all the Graces and blessings you need; for God is Abundance. Te amo mi hermana Senaida. ❤️🙏

“ *Tata, I dont know where to begin. It's been a privilege that I had you in my life for 50 plus years, an honor the time we spent together. The man i wanted to become was because of you, the work ethic was incredible always working and providing, the love u had for nana was unmatched, the leadership you had raising your children who adored you. I've had so much memories of u that are etched into my heart. The days u would come home from work, make me take your boots off, run to the bedroom for your sandles and grab you that 1 beer nana had put in the fridge for you. I'm heartbroken that I couldnt see u one more time with that smile. We will carry this humungous generation u left behind and will spread out even further. Mucho amor mi tata, hasta luego
