“ I have known Ralph almost my entire life! He and my mom were great friends! As a matter of fact Ralph pulled out my first tooth about 41 years ago! He was always so kind to me and when we saw each other would remind one another about that tooth! May he rest peacefully! I can't wait to reconnect with him on the eternal side! Thank you Ralph for being a great guy and for watching over me when you worked at the High School! The world is a little sadder today knowing you're no longer in it....
