“ I was Toby's roommate many years ago and a friend ever since. He never hesitated to help me with house projects and always was happy to join in with pretty much anything. I always loved his smile and optimism no matter what else was happening. I'll miss you, Toby!

“ *To the family of Tobias:  
Tobias had such a wonderful smile and laugh. When I think about him, that's immediately what I think of! He was a friend to our family for many years. I'm thinking of you and his many other friends during this time.*

“ Dear Family of Tobias, I am so sorry you are separated from Tobias in this life. I miss him deeply. Tobias was a long-time friend to me and my children. Our friendship was enduring, caring, uplifting. He always offered kindness. He showed excitement for my creative works. He was an incredible artist and photographer who could capture amazing beauty. He spoke often to me of his love for his daughter and family members, for his friends, and for his firefighter family. I am thinking of you all and sending love during this tender time.
