Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side.

“ *Godmother Poem*
What My Godmother Meant To Me

*Godmothers have no wands or wings,
So they work with wisdom, love, and things.
Having taken on this role,
You loved me right down to my soul.*

*You offered kindness
And greetings with a hug and kiss,
Each freely out of love which I will miss.*

*I chose a twinkling star in the sky at night ,
To say a prayer for you to it's bright light.
You're in God's Heavens now and no longer in pain,
In my thoughts, you'll always remain*

*How lucky I was,
How blessed I've been,
You were more than my Godmother,
You were also my friend.*

I love you and miss you ~ Your Goddaughter Berna

What a great mother, teacher, role model ,grandma, great grandma aunt, and sister she was too all of us. To me she taught so many values . I would call her just to say hello and tell her I was thinking of her and it would be hours later that I realized we had been talking about all her family and all my Family. We always knew the holidays were going to be hard to get together ,so we ended up having Christmas in June and exchanging gifts. Our birthdays were one day apart. Hers on the 4th mine on the 5th. I could never catch her on her birthday because they gave free gifts at the casino for birthday, and played double on your card. Never quite knew what that meant but she never missed it. How she loved to go to vegas and Laughlin . She spoke of her trips to Hawaii which she said not

long ago if she got better she would go again. There are so many good things to say about Tommie that words alone cannot express and I know we all have a story somewhere which we will cherish in our hearts. I'm glad to have known her and will miss her but know she is not suffering anymore and understand that God needed another angel .
