Brother Tony, I Love you. As the Bible states. My Father's house had many rooms. And I know he has one set especially for you. Sleep brother Tony, your journey has ended for now. As my brother Carlos stated, until we meet again.

“ Uncle Tony, wow! I'm still in shock. You were more than just my best friend's dad, you were my second dad. You yelled at me right along with your boys when we deserved it (even when we didn't deserve it we never talked back). You were the figure of authority and we all respected you. But there was a side of you that always shone through for all your kids and that was pride. You always had a huge smile when someone talked about your kids, and that included all of your "tag-along" kids too, like me.

No matter where you went in that crazy little town, if someone said "Otero" you always heard in response, Tony Otero? You were revered and respected by many and I am so proud and blessed to have had the opportunity to call you Uncle Tony, and I will cherish the times I spent with you and I look forward to spending more time with you in heaven.

I love you and miss you Uncle Tony,
Your VASO
