“ I was the Elementary Library Supervisor for Belen Public Schools from 1980-1985. Trina was always a joy to work with and such a wonderful person in general. The kids loved her, and she did a great job running the Central School library. I was amazed to read she worked there until she was 83! I have many fond memories of working in Belen. My condolences to the Sanchez family for your loss.

“ Our heartfelt condolences at the loss of your beloved Mother. We pray for her peace and eternal repose. She was a woman of stature, grace, intelligence and dedication to the love of books and education. Many a young person has been filled with the joy of learning because of her love of education. I treasure the memories of us in the orchard, gathering ripe fruit and enjoying the NM bounty. Love and peace to each of the family that holds her dear in their hearts for the rest of their lives.

“ Dolores & Family,

Silent is now the farm, soft as a dream, as you morn Trinidad the once savy woman, librarian and farm icon in New Mexico. She gave so much in an age that could rear them no more. She was an inspiration!

I submit our sincere condolences on behalf of Sue and family. May time bring solace to your hearts!
