March 29, 1977 - July 23, 2016

1977-2016

Valerie Tafoya-Rino, a resident of Belen, NM, returned to her Heavenly home Saturday, July 23, 2016. She was a member of Our Lady of Belen Catholic Church. She attended nursing school and was always thinking of others, whether it was taking care of their needs or cooking for everyone. Valerie was an excellent cook and a wonderful party planner, and she was just getting into planning weddings. She loved people and was a very outgoing soul. Valerie had a wonderful network of friends, she never met a stranger and she always made it a point to keep in touch with them all. Her sense of humor and practical joking pranks were well known by her many loving family and friends. Valerie's children, mom, dad, brothers and all the rest of her family meant the world to her.

She is preceded in death by her daughter, Kenadee Brooke Golliehair; maternal grandparents, Joe and Nila Chavez; paternal grandparents, Joe and Mary Tafoya; and godparents, Joe and Irene Padilla.

Valerie is survived by her parents, Danny and Angie Tafoya; brothers, Mark and wife, April Tafoya, Dale and wife, Joei Tafoya; children, Hanna, Kayley, and Mason; and boyfriend, Phillip Cordova. She is also survived by many nieces, nephews, cousins, aunts, and uncles.

All services will be held at Our Lady of Belen Catholic Church on Wednesday, July 27, 2016. A Viewing will begin at 10:30 a.m., with a Rosary to be recited at 11:30 a.m., followed by the Funeral Mass to be celebrated at 12:00 p.m. Interment will follow at Our Lady of Belen Memorial Gardens. The family will have a reception following the interment at Our Lady of Belen Parish Hall, friends and relatives are invited to attend. “ *Valerie was such a friendly and caring person. I admired her charisma and outgoing personality. Our kids are the same ages and no matter what school or athletic event was going on, she was there along with the support of her parents. She would ask me at the awards assemblies at Central.... "Did you get that picture?" Rest in Peace Valerie and know that you did the best raising your children and although you are not her to get them ready for another school year they have your love instilled in them to carry forward. “ Valerie and I had a great day taking her Auntie Rose, my mother-in-law, all her clothes to a second hand store. We found out that a neighbor had some white lighting, which it wasn't. It was in a dirty cranberry bottle and it was a big one. We went to the cemetery to try it. We dared each other to try the first sip. I don't who did it first but it was awful. I couldn't believe Valerie could fit that jug in her purse. We had to hide in from the adults. We threw it away in the trash and Valerie introduced me to my first Chelada. I couldn't believe it was so good. We laughed and then we had to go back to the adults. I was the only time I got to be with Valerie and was the best time.
We'll all will miss you, my beautiful prima.

“ When my mom told me what had happened I was in complete shock. I couldn't believe that you were gone. You are such a wonderful mom. And I remember me and you would always talk about my little sister Kenadee. That's why I gave that beautiful middle name of my sister to my little princess Aubriella Brooke. Every single day I would think about my sister and remember all the good times and memories that I had with her. And I know when I was sad or missing her I could call you and you would make me feel better and I would do the same for you. I will never forget the last message that you sent me. I thought it was kind of random, But you told me "thank you again for taking care of me Kennedy says thank you brother for taking care of Mommy." And then you told me that I have such a wonderful heart. I just still can't believe it and still want to pick up the phone and just give you a call and see how you're doing and talk about my little sister with you. I know that God has a special place in heaven for you right next to my sister. I know now that you're up in heaven taking care of her and you're able to hold her hand and talk to her and give her a kiss and give her a hug. Just please tell her that I miss her every day and I miss you every day as well. I thank you so much for everything you did for me and always being there when I needed you. That's why I was always there for you now no matter what you ever needed you know i was there for you you know I'm always going to be here for you. I will always be here for you girls and your little baby boy. I know that they miss their mommy. You are such a wonderful mother to them and they will never forget that. And they know that from heaven you will watch over them still you will take care of them and protect them. I love you so much Valerie and I miss you with all my heart and I will never forget you. Just do me a big favor and watch over us and give Kenadee a hug and a kiss for me and tell her that her big brother loves her.

I'm glad I had the opportunity to have met Valerie and her beautiful children also im glad I was there to help her out when her heart was sad for missing Kennedy. “ There are not any words I could use that would ease the pain you must all be feeling! Danny and Angie, my heart goes out to you to lose a beautiful child like your Valerie. She was so proud of the two of you. To her children, the loss of your Mom must leave a huge spot in your life. She was so proud and loved you all so much! She was looking forward to the years to come watching you grow up! She missed Kenadee so much and now that they are together she is missing all of you. I am sure she is watching over you all now and will always be with you. She was such a loving person who always did her best to keep in touch with her friends in one way or another. She became friends with so many different people of all ages and she made each one feel as if they were most important in her life. She missed her Kenadee so much and we often talked about the day they would see each other again! No one thought it would be so soon! Now she is with her but I am sure she is missing all of you! She will be missed by all but never forgotten because she lives on in the stories her family and friends have to tell about her. She is always nearby! Prayers for all of you to help you get through this difficult time. May God bless you all.

“ Please accept my sincere condolences in the untimely passing of Valerie.... Valerie and I first got to know one another when we played on a summer softball league. She was spunky and cute as a button and her signature saying was, "just kidding"... :) We continued to be friends through high school. I know her heart never healed from the heartache of losing a child, which I can't even begin to imagine. The last time I saw her she was still the cute and kind person I'd met so long ago. She too, was generous with her compliments. She had the ability to make others feel good, a rare and special gift.... Prayers for comfort and peace,

From then on we all became friends and i would look forward to seeing them when they came in to the dr office. Living in a small town of course throughout the years i would see you both at the grocery store, fb, etc. Valerie was ALWAYS the first to give out those compliments. Even if you looked your worse, she told you with sincerity how beautiful you looked. She was not only a beautiful girl on the outside but in the inside as well.
