“ *Vikki was in the preschool when I worked there. She was always happy and talkative. Her little brother, Jesse, was there, too. She always watched over him. Before she passed, I saw her in the halls of La Promesa Elementary, all dressed up for science fair day. She always said 'Hi, Miss Diola.'* What a sweet girl! A life ended too soon!

“ *Vikki, you always had a beautiful smile on your face. I will always remember the cards you made me, and the special one you made for me for Mothers Day and teacher appreciation day on Friday, May 6th and that big hug you gave me. You are in heaven and you are beautiful angel watching over us all. Your 3rd grade teacher, Mrs. Jessica Chavez*
