

## Vincent C. Olguin

May 30, 1953 - September 13, 2025

1953 – 2025

Vincent “Vince” C. Olguin, age 72, a longtime resident of Albuquerque, NM, passed away peacefully in his home on Saturday, September 13, 2025, surrounded by his loved ones. A celebration of Vince’s life will be held at a later date. He is preceded in death by his daughter, Anjeanette Olguin; parents, Vicente and Elsie Sanchez Olguin; sisters, Dolores Espinosa and Marilyn Gurule; brother-in-law, Leon Prevot; and in-laws, Narciso and Leonor “Nora” Ulivarri. Vince is survived by his devoted wife of 41 years, Sharon Olguin; children, Fernandez, Reina, Lauren (Dominic), and Eloisa (Devon); sister, Elsie Prevot; brothers-in-law, Joe Gurule and Willie Espinosa; son-in-law, Nick Schmelz; daughter-in-law, Megan Louise; and beloved grandchildren, Aryan, Mylah, Chilee, Maddy, Dante, and Yolanda. He was born in Belen, NM, on May 30, 1953. Vince graduated from Belen High School in 1971, going on to earn his bachelor’s and master’s degree in the arts at New Mexico Highlands University. He married the love of his life, Sharon, on February 11, 1984, and together they built a beautiful life raising their five children. Vince, a passionate sports fan, cheered faithfully for the Belen Eagles, Dallas Cowboys, Albuquerque Dukes, and New Mexico Lobos, often attending sports events. He found joy in spending time outdoors, participating in activities such as, fishing, coaching little league, and hosting barbeques for friends and family in the Summer, to name a few. Vince cherished driving his grandson to and from school and any quality time he could spend with his

grandchildren. He was a man of steadfast routine; his mornings began early, with a cup of coffee and a donut from Dunkin' Donuts with the sports radio. Above all, Vince was a devoted husband, father, grandfather, brother, and friend. His presence, guidance, and love, will be deeply missed by all who knew him. The family of Vincent C. Olguin wish to express their deepest gratitude for all the expressions of love, support, and prayers during this difficult time. “ *When the Olguin family bought the home across the street from my grandma, we were blessed with an amazing lifelong friendship with the entire family. It was always so pleasant if I happened to be outside at the same time Vince was. His cheerful smile would brighten any day. To the surviving family, we love you all very much and are very sorry for your loss.*

“ I don’t want to share just a single memory, but rather the way your dad always made me feel whenever I was around him. He had a gift for making people feel welcome, like they were part of the family, and that’s something I will never forget. His big smile seemed to be ever-present, and it was a reflection of the kindness and warmth he carried with him. There was never any question about how deeply he cared for and loved his family. And if you ever needed help, and he was able, he would always be there without hesitation. That’s the kind of man he was, and it’s a legacy of love and generosity that will always stay with us.

“ Vince was a very close friend. We went fishing almost weekly at Fenton lake. He had a special way about taking about fishing, football and sports in general. He loved his wife, his children and grandchildren. I never got tired of hearing his stories. I find myself wanting to call him after each Lobo game. I will miss him. I am so sorry that his family lost such a kind person. My condolences go out to his family.

“ My deepest condolences to all of you! It was an honor to have known Vince and to spend years of quality time with him and his family. You all took me and Jade in and cared for us just like we were family to you. True love just flows through this whole family and there is no doubt in my mind that you all hold the true value and meaning of what a happy family is regardless of every thing you have all been through. You all still show up and be there for one another and the love is real. The biggest examples of how that was ever to be accomplished stemmed from both Vince and Sharon. Vince we spent so many evenings hanging out on your front porch just laughing and never running out of things to say. Those memories I will carry with me forever and the honor was all mine. See you soon brother. P.S You have better help those sorry teams you go for, they are gonna need it LOL!!!! Love you!
