“ My brother and I were lucky enough to meet Vinnie when we moved to Abq. He was the first friend we mad at the apartments. We did everything together. He always kept in touch even when we moved away. He would ask how I was doing while I was in Afghanistan. He was a genuine guy that cared about his friends and family more then anything. My brother and I have Vinnie and his family in our prayers. I wish we could have gone to see him but we will meet again someday. We love you Vinnie. You'll always be in our hearts and our best friend. Rest easy brother.

“ While the loss of a loved one is never easy, even when anticipated, it is most certainly the hardest when they are taken from us too soon. Your recent loss of your son who has left at such a youthful age is definitely in the category of those hard losses for which there is so painful a reminder of what might have been. My sincere condolence and deepest sympathy on your loss. I ask for God's blessings on you and your wonderful family. May you find the courage and strength to move forward in peace and confidence and in knowing that his was a life well-lived.

“ Vinnie was more than just a person. He was someone special that I am honored to say was my friend. He loved with all that he had and cared more about others than he often did himself at times. I will miss his 2 a.m. drop in visits more than anything my life will never be the same. I love you big man. I cant wait for the day I get to hear you playing guitar in the heavens.
