“ *Such an honor to have been Viola's nurse. Viola was such a sweet, funny, cute lady. She loved talking about her parents and siblings, and the love for music her and her family experienced as she was growing up; I enjoyed visits with her very much. Lyola is an amazing daughter and one of the most beautiful caregivers I have ever worked with. She went above and beyond for her mother; I know their bond was very close and I will continue to hold this family in my heart, best of wishes to everyone following Viola's loss. I know she will be missed greatly.*
