“ Dear Viola's family, I am so incredibly sorry for the loss of this beautiful soul. I knew her from Our Lady of Angles Catholic Church, she and Ernest would attend Mass there prior to her becoming ill. They were always very faithful in their attendance of Mass and brought a joy with them. I was bringing Communion to Viola on Sundays for several months. She, and all the family that I met while I made my visits, including Ernest, and 2 of her daughters, etc. truly touched my life in a special way and it was such a blessing to have been able to bring Our Lord to her over the last few months. I already miss going to the house to distribute communion and the warm welcome I always received. My our loving Lord provide you all peace and comfort as you mourn the loss of this beautiful and very special woman. Know of my thoughts and my prayers for you. I will truly never forget Viola, she was beautiful inside and out. My heart is with you all as you go through this and I feel your loss. God bless!
