You were loved and will be greatly missed. You made me laugh and welcomed me in your home. It was always fun to stay over at your house, when I wasn't scared to stay over as Karin would say. May you rejoice as you walk the streets of gold and we will celebrate your life! You live on in your children. Karin is a wonderful person and friend. She definitely has your sense of humor. You have instilled in her a piece of you always! I love you Karin, and I will be here for you always to talk about your mom whenever you need to.

“ *My sincere condolences to Mr. Willie Lucero and family and to the Sanchez family as well. My memories of Viola go all the way back to childhood, She was our neighbor growing up in our grandparents former home. She and her siblings grew close to us. Her life on this earth was much too short but now she joins some of her siblings and parents who have preceded her to their eternal life. May you rest in Peace, Viola.*

“ *There will always be a special place in my heart for Aunty Viola. I loved the way she was always so proud of her kids and grandkids and always had a story to tell about them. I can't imagine how hard it must be for my cousins and Uncle Willie. Just know that we are all here for you. We all lost her way too soon.*
