“ Auntie Vivian you are a beautiful painfree angel in heaven. I know you are up there smiling down on all who loved you. My memory of you will always be your smile and kind eyes. Also remember going thru Grandma Ramona's photo books and seeing pictures of you are a cheerleader, which made me want to become one and also of your services as a nurse during the war. You were truly an amazing woman/Auntie. Thanks for all that you have inspired in me. Also thank you for never forgetting a Christmas Card every single year of my Adulthood even all the way here in Sweden. You will be missed but never forgotten.

“ *Vivian has been such a sweet soul even when I was young I thought she was very approachable as an older cousin. I was always amazed how nice it was of her when she had bought her home on Edith street and some of her sisters and cousins were allowed to stay with her, it was a flop house. But the sweetest memory I have of Vivian was when my mom, Vivian's aunt, passed away. After my mom's services I was at moms house and I saw Vivian digging around the front door outside and when I went go check she told me that she was planting a tree so it would grow and we'd always have a memory of mom. I realized then fully how caring, thoughtful and kind this cousin was. And then there was that laugh of hers! She will be missed but I know that she is with her Lord as she has always loved Him and served Him. RIP Vivian, love you*

“ When I was young, one of my most joyful memories was visiting aunt Vivian and uncle Tony in Colorado during summer break. It was such an adventure leaving Albuquerque making the "long" journey to Colorado... Aunt Vivian and Uncle Tony made it feel like a home away from home... those fond memories will forever make me smile, and will forever be in my heart and soul... Aunt Vivian was truly special to me and she will forever be missed..
