They were married for 63 fun and happy years. Bill worked for the AT & SF railroad where he was a switchman, brakeman and conductor, retiring after 40 years of service. “ *Wanda & Brain, I know there is nothing I can say during this time that will help. I would like for you to know that to me Bill was a wonderful and beautiful person inside and out. He reminded me of my papaw who I miss to this day. Such a kind man with a soft and caring personality whom you couldn't help but love. Love you both. Beth*

“ *Ty & Family,*

My sincere condolences regarding the passing of Bill. He was a good friend of mine when we both attended Belen High School. Though I did not see him, thereafter, he truly remained in my heart as an exemplary person and one whose sincere nature endeared him into the hearts of others. May time bring solace to your hearts over such loss.

“ *"We are here to celebrate your life.
And the measure of its worth.
And every single life you touched.
While you were on this earth.
We wish to pay our last respects.
To thank you for your friendship.
And all the memories we hold dear.
Its been a privilege to have known you.
We were family not just friends.
And we will carry you in spirit.
Until we meet up once again."*

“ I would like to send my condolences to the family and friends of W.E. Wood, and would like to share a comforting thought from the Bible in rev 21:4 And he will wipe out every tear from their eyes, and death will be no more,neither will mourning nor outcry nor pain be anymore. The former things have passed away. For more information on this Bible topic please visit our website at Jw. Org. Sincerely Bea.
