“ *Cox Family - I just heard about Wanda's passing. Wanda was a wonderful person. I hadn't seen her in over 20 years, but she was never far from my mind. I worked with Wanda at Dr. Mansfield's office in Bosque Farms years ago. My memories of her are of good times. She loved her family so very much. Take care and God Bless you all.*

“ Wanda, though my first cousin, was closer to my mother Leola Proctor Morrow after whom Wanda received her middle name. Our family always felt close to Wanda and I remember the good times my mom and dad had in the home of Wanda and Wayne. May the good memories of Wanda live long in the lives of her family and friends, as do the memories of her mom and dad live in my life.
