“ I am so sad to hear of Willie's passing. He and Elsie were part of our family despite the age difference. Wonderful memories even if some were hard work memories! Much love to Elsie and the Giron family.

“ I was saddened to hear about the passing of Willie Giron. Growing up in a small town and being friends with his son, I was fortunate to experience the warmth and kindness he and the entire Giron family so generously shared. His presence always left an impression of sincerity and genuine care, and those memories have stayed with me over the years.

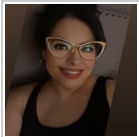

To Elsie, CJ, and the entire Giron family, please accept my families heartfelt condolences. I hope you find comfort in the love of your family and friends, and in knowing how deeply Willie’s kindness touched the lives of those around him. - Tomas Padilla

“ I was deeply saddened to hear of Willie’s passing. He had such a profoundly positive effect not only on my life, but on the lives of our whole community. His generosity of spirit touched us across generations—from the time he was business partners with my grandfather, Frank Etre, to the years when my parents knew him well, and even throughout my own life and experiences.

I truly could not be where I am today—a U.S. diplomat, married with three daughters, living and working at the U.S. Embassy in Paris, France—without Willie’s advice and support. We all benefited from the warmth, kindness, and big heart that he carried with him. He wasn’t just a friend to us—he became part of the fabric of our story, someone whose influence and example will always be remembered with gratitude.

On behalf of our whole family, I want to extend deepest sympathy. We are thinking of Elsie, CJ, and all the Girons, and we send you our love and prayers during this difficult time.
