“ *Willie, since I was a little girl and I would go inside the bar/gas station you always made me laugh Cuz u would tell out to me "hey little cousin" then when we worked together at the hotels, you would make my day so much better Cuz u always had that warm smile and a shoulder to lean on, I was going through a rough time when we worked together and your wise words are what got me through that time!!!! You were a good cousin!!! Now you and my dad, my uncle Arnold and grandpo can have an ice cold beer together in heaven. Please tell my daddy that I love him and miss him so much!!! You will truly be missed Willie*

“ Our deepest condolences to your children and the Garley brother’s and sister’s,

I remember meeting you in the family functions with my dad. As I was growing up I heard a lot that you were an awesome athlete and a arm wrestler. I was so happy to know that we were 2nd cousin’s and I enjoyed knowing you were a classmate with my husband Gino. RIP 🙏

“ I know someone who will & is already missing his daily visits. Joe misses your visits already. The friendship you two had was like no other I have ever seen. I used to see you drive up every afternoon & yell out at Joe "there'ssssss Willieeee"....a friendship like you & Joe had was special. He loved you like a son. & though I am sure he never showed it...But I know he loved you..He is missing you, we talk about you as if you are still here, we laugh at the little things you'd say or do & still cannot believe we will never see you again you are really gone. I know you had lotsa people greeting you & welcoming you to your final destination...I can imagine the party in Heaven...But here on Earth my friend you are being missed. To your family our sincere condolences. We miss him so much already. Joe went to the gym today and said it will never be the same again...We lost a true friend whose memory we will keep alive just because of who you really were Willie...A FRIEND FOREVER...Joe & Berna

“ *Willy will truly be missed by this gal. He always had a smile and jokes. He was so proud of his family, his children and grandchildren. He used to make me laugh when I was working, he'd tried to get me to arm wrestle him, lol his facial expressions were priceless. I could never arm wrestle him, he'd probably dislocated my arm because of him being so strong. I could always make him blush and hear him from a far calling me a brat. He loved his children and grandchildren so much. RIP Willy and my condolences to his family. Nicki*
