“ *Xavi is someone that has just always been a part of our lives. I will remember him and funny and kind and someone you could always count on in time of need. He is going to be greatly missed by many people. Bitty was his world and he will now be and angel to guide her to great things in life. We miss you Xavi.*

“Xavier was more than a friend, he was family and a great big hole is missing in our hearts right now. I'll never forget his laugh, his help when anyone needed it and the light that always shone in his eyes when he spoke of his daughter, Analicia aka Bitty. She was the light of his life. Now he's an Angel on her shoulder. Love you Xavier.

Xavier had always been a loving dedicated hard working and fun living person that will be missed by all that knew him. Xavier was always a man about family keeping his own parents very close and then having his own meant so much to him. His daughter was the sparkle in his eye now he will be with her and watching out for her from above. May God bless both Xavier and the family he has left behind. With love and sympathy, Mary Velarde
