“ Luisa and Yvonne
I am so saddened to hear of the loss of such a beautiful woman. I can remember the first day I ever met her and Yvonne. They welcomed me with open arms as if I had been a part of the family forever, just as you did Luisa.
May God give you both the strength to get through this. You are all in my prayers.
God bless you. xoxoxo

“ Yvette was my confidant. Whatever life advice she gave me I followed.

Yvette, I hope I learned enough from you to live without that person I had in you. There was no one on the planet that knew everything about me the way you did. Never judged, always supporting me and loving me.
