

Yvette Chavez Kinsey Hamilton

June 15, 1981 - January 27, 2018

1981-2018

Yvette Reina Hamilton, a resident of Los Lunas, NM passed away on Saturday, January 27, 2018. She was a member of Rio Grande Calvary Chapel. Yvette graduated from the University of New Mexico with a bachelor of arts in communication. She had a passion for writing and articulating words, which led her into a career in public relations. Yvette started her career with the State of New Mexico, where she did public relations for the office of the state engineer. In 2006, she moved to Houston, TX, where she flourished in the big city. In Houston, Yvette worked for Direct Energy, where at only 28 years old; she became the youngest director in the entire company. At DE, Yvette was the director of corporate responsibility for the entire North American operations, which included Canada. She was so talented in her writing; many of her publications were picked up by many media outlets, such as the Houston Chronicle and the New York Times. Through this experience, Yvette was able to travel the world and share her God given talents with so many. Yvette had an eye for fashion and was often asked to dress many of the elite socialites in Houston for special events. She loved to shop, dress, dance and entertain friends and family. Her beautiful life will be missed by so many. Yvette was preceded in death by her maternal grandparents, Concepcion and Saturnino Chavez; and paternal grandfather, William E. Kinsey. She is survived by her parents, Keith and Viola Kinsey; her brother, Eric and his children, Aubrianna and Andre Kinsey and their mother, Amanda Garley;

her brother, Kurtis and his wife, Bridget and their children, Porsha, Hezekiah and Zedric; husband, Ron; sister and brother, Jessica and Jamar Poston from North Carolina; paternal grandmother, Gladys Kinsey; Aunts and Uncles who were very special to her, especially Auntie Clarita and Uncle Del who were kindred spirits. Yvette and her Uncle Del bonded ever since she was a baby. She is also survived by her many cousins who she loved very much; also her great-aunts, Cande Gonzales, Berna Lucero, Soila Moya, Ermelina and Alejo Ortega; and great uncle, Julian Zamora. Yvette is also survived by her beloved and loyal dog, Oxford, who she considered her baby.

My beautiful daughter, your time on earth was so short but full of life. We thank our God and Savior that he gave you to us. You had a love for Christ since you were a little girl, something that was encouraged by her Nana Conchita. Your faith grew stronger, especially these last few years. Thank you Yvette for giving us 36 wonderful years. You enriched our lives with your faith, laughter, beauty and generosity. We now release you into the embrace of our Lord and Savior Jesus Christ, with Nana Conchita, Tata Junior and all those who were there, ready to take you home. All services will be held at Calvary Chapel Rio Grande Valley on Thursday, February 8, 2018. A visitation will begin at 10:00 a.m., with Funeral Service to be celebrated at 11:00 a.m. Interment will take place at a later date.

“ My heartfelt condolences to the family. Yvette and I spent many hours studying PR together. In fact, she was one of my driving forces to get a better grade...well it became a fierce competition in fact. She always out did me by one point. She was a light. Her body fought her like mine does so often we would call each other for reassurance and strength. I will miss her greatly. Rest In Peace and I will see you again sweet sister in Christ. Love you.

“*My condolences to the family of Yvette, one of the most beautiful angel I've known since living in NM. Yvette thanks for all you have done for me, the wisdom and kind words you shared with me during the time I used to braid your hair...my soul hurt reading about your crossed over, but it gave me comfort knowing that you are now with our lord and savior...I still remembered your smile the last time I saw you at Jamie wedding and how laughable you were when you saw me and was telling me about living in Houston....you used to make me laugh when you will get talking about the former president Bush and his regime.....I sent a prayer up to our Heavenly Father just for youGod please take care of this beautiful angel you now called back home....you will always be remembered....love you...Susie.Mr. and Mrs. Kinsey may God gives you both the strength to carry on. And all the laughters when ever your angel crosses your minds. .. Again sorry for you loss.....Susie.*

“ Keith, Viola and all the Kinsey/Chavez/Hamilton families,

Words don't seem to be enough to express my deepest condolences! Death never leaves us totally understanding the why. In this instance, it's even more difficult the understand the why! I know each of you have that deep faith in God's reasoning, so I know that you will find a little more peace because of your belief. I pray God embraces each of you a little tighter with His loving arms during the valleys of this road you are traveling. I am also sending my love to each of you!

“ I worked with Yvette at the State Engineers Office and I have so many fond memories of working with her. Her laughter filled the hallways and no one could wear a pair of heels like Yvette! Even when we were out in the woods she was all about the glamour! She loved her birthday month and somehow got our Co-workers to take her out for birthday lunches the whole month of June! She was a bright spirit, taken too soon. My sincere condolences to her family and loved ones, Rest In Peace Yvette!

“ When I was the Planning and Communication Director at the Office of the State Engineer/Interstate Stream Commission, Yvette was still in college at UNM and became my communication intern. We worked very closely together. She didn't mind the commute to Santa Fe and gained valuable hands-on employment experience in her chosen field. She was bright, enthusiastic, absorbed things like a sponge, and got along well with our agency's employees. I recommended to the State Engineer that he hire her full time when she graduated...and he did. I like to think I helped launch her career in public relations. I'll always remember her contagious laugh, those stiletto heels, and the entire-month celebration of her birthdays every June. She had so much potential. I am very proud of her success in public relations. I know she will continue to be a very bright light of positive energy wherever she is. I wish her the best now on her journey home. --
Sincerely, Karin Stangl, Albuquerque.

and because you now have a brand spankin new body free from ANY pain. I smile because you loved me and I love you. I will meet you in eternity so we can Worship Him together.
