“ Yvonne, this community has shown the exact resemblance of you during this very tragic and difficult time. It has shown kindness, love, compassion, giving, support and so much more - just like the person you were. You are loved by many, and your memories will forever live on. You enjoyed life, your laugh was contagious. Rest in paradise my friend.

“ A memory of my. niece Yvonne. I was at the casino and some female came up to me and said in a kind of mean way "someone wants you in the restroom now! " So I immediately went to the restroom saying all loud "Who wants to talk to me ? Well here I ___am!! And Yvonne comes out of a stall laughing and said "Why did I know you would come in all ready to rumble " Still laughing she hugs me and we both started laughing !! Thank you God for allowing me to have her in my life .RIP Yvonne .

Devonne our condolences to you. Your mama will be greatly missed. She was precious to this family. She loved you so much Devonne. She is very proud of you and she talked about you all the time. I loved your mom dearly. We will see her again. She is in glory at the most beautiful place that anybody could be. She is the happiest she has ever been because heaven is all about perfection, happy love and kindness. Your mom is surrounded by all of that. She's with her daddy she missed her daddy with all her heart, and my heart is happy for her in that respect. She is happy. We will miss her but we will see her again. God bless you. You're in my prayers. Big hug. 💕💕
