“ *Yvonne, thank you for your commitment to the community of Belen, and our school district. I was honored to witness you serve on the Board of Education, You asked questions, ensuring the policy being debated, was, the best interest for the 3,800.00 students, you were appointed to serve. Personally, I thank you for your financial and morale support given to the BCS attendance team. As individuals, one goal in life, is to leave the community we're born and raised in, better than we found it. Kudos to you, your goal was obtained. You will be missed. Yet, your legacy as an eagle, educator, mentor and policy author, will continue to live, and represent the school district, in the blessed city of Bethlehem. RIP Amiga.*

I loved Yvonne, she was always so happy And positive. Yvonne volunteered countless hours advocating for the best education for Belen students and the rights and respect for Belen teachers. I loved working with her during NEA negotiations. We always sat next to each other and past notes. She shared her knowledge and wisdom with us. Yvonne was a dear friend I will miss her smile and her friendship.
